DEDICATION

We, the seniors of 1957, dedicate this, our year-book, to Mr. Frank Shaw. We are grateful for his guidance in classes and plays and for his being a friend to us as well. We wish him happiness always in years to come.

Soon work on the new building will begin and the halls of the "old building" will remain only in our memories. No more will we have to walk up and down the old wooden flights of stairs; we will pace through polished corridors to reach our classes and rehearsals. Gone will be the sight of students shivering from the cold walk between buildings. The second graders will no longer recite to the accompaniment from the music room below. The new music room will be soundproof.

But we have some fond memories of this structure which has served us so well. Here we have our roots; here we first learned to write, read, and get along with others; here whole new worlds opened to us through our histories and geographies.

Yes, we have our memories, good and bad; but in order to retain a more permanent record, we, the class of 1957 have prepared this yearbook. We hope, that by this means we may make remembrances of O. H. S. more precious and more enduring.

SYNOPSIS

Mrs. Abigail Fortitude Abbott, a widow of thirty-five, decides to attend Pointer College with her daughter and take advantage of a generous scholarship awarded to anyone whose name is Abigail Fortitude. Susan, her eighteen-year-old daughter, is very much against the plan; but Abby sees no other way to obtain money to see her daughter through college.

It isn't until they reach Pointer, however, that the fun begins. Bobo Jackson, campus big-shot, and his young friends are smitten with Abby's mature beauty, much to the dismay of Susan and her friends.

To top it all, Abby becomes romantically involved with Professor Michaels, idol of all the girls on campus and particular friend of Susan Abbott. Susan is determined to break up the romance and disapproving Dean Gillingham, who suspects a publicity stunt, is determined to expel Abby from Pointer.

Many amusing situations result and the solution is a charming one.

SKIP DAY

Thirty-five Seniors, accompanied by class sponsors Berg and Shaw, and all a bit sleepy after a night-long train ride, arrived at Chicago's Northwestern Railway Station on Monday morning, May 13. From there they were whirled off to see the sights of the Windy City, which included the Museum of Science and Industry, Museum of Natural History, Lincoln Park Zoo, Chinatown, Hull House, Madison Street Skid Row, Grant Park, Midway Plaisance, University of Chicago Campus, downtown financial and theatrical districts, State Street, and Chicago's famous skyline as viewed from Lake Shore Drive. Their meals were provided at the Gateway Restaurant of the Northwestern Station.

Worn out from the very full day of sight-seeing, souvenir hunting, and picture taking, the Seniors went to sleep promptly on the return trip. They arrived in Odebolt, tired but happy, in time to attend Tuesday's classes.

JUNIOR - SENIOR BANQUET

Friday, April 26, the Juniors, Seniors and faculty members were escorted by elves and pixies into an enchanting land of make-believe. Multi-colored cardboard butterflies fluttered from the blue crepe-paper sky, and jolly cardboard elves cavorted in a game of leap-frog over toad stools. Organ music by a good fairy (Rosalie Neutzman) was enjoyed throughout the fairyland supper, and, to make the fantasy complete, there was a wishing well. The elves and pixies served their honored guests well, because soon everyone was replete and well-content. An evening of entertainment, the fairy queen (Sandra Higby) announced, was then in store for them. A royal command performance was given by some little people from fairyland. The fairy queen then decreed a royal ball and everyone danced to the music of the Rhythm Hawks from Ida Grove. But finally the clock struck twelve and the guests were forced to come back to earth.

They left with a little fairyland stardust still clinging to them and the memory of that delightful evening will remain with them for a long time.

KING OTHEL
and
QUEEN AUDREY

HOMECOMING

Homecoming began September 28 in the traditional manner with a pep meeting. The student body then marched downtown to display their enthusiasm to the businessmen and patrons.

At the game in the evening Audrey Cowlham and Othel Johnson were crowned Queen and King of '56. The Royal Court consisted of Gloria Girvan, Nancy Neville, Judy Ogden, Bonnie Snyder, Jim Howard, Grant Langle, Clifford Schroeder, and Don Taylor. All Seniors, they were elected by popular vote.

Crown bearers were Dean Bengford and Sharon Gronemeyer.

Moville didn't quite succeed in dousing our good spirits since the evening was successfully climaxed by a homecoming dance in the gym to the music of Johnny Galvin.

Credit is due to the marching band and the committee in charge, who spent long hours in preparation for the event. Members of the committee were: Mr. Stafford, Mr. Shaw, and Miss Bruce, faculty; Ronald Oxendale, Dick Duffy, Arlene Purdy, Judy Ogden, Sandra Higby, Josephine Gundersen, Dean Johnson, Don Cowlham, Arlene Howard, Shirley Buehler, Herb Turin, Wellman Lindstrom, students.

Superintendent Ogden assists kindergarten attendants, Dean Bengford and Sharon Grone-meyer, from the platform after having crowned the king and queen.

The leading character in the band's half-time show. Spectators agreed that Dr. Page could be a full-time clown.

THE TROJAN STAFF

In May of 1956 the juniors elected Gloria Girvan and Othel Johnson to be editors of the yearbook for '57. Cliff Schroeder received the demanding position of business manager. Cliff later proved to be indispensable during the magazine sales campaign and was often seen doing more than his duty, going the rounds with our advertisers, Jim Howard and Grant Langle.

Much credit is due to our conscientious layout editors, Audrey Cowlham, Nancy Neville, and Arlene Purdy. The appearance of each page is the result of their patient work.

Jean Hanson, Myrna Lange, and Marilyn Sommers handled efficiently the job of typing copy for the printer.

Helen Kessler and Dwayne Wingert lined up classes for Mr. Buntrock's busy camera and Dwayne took many fine pictures at special events.

Judy Ogden, Willard Johnson, and Ronald Oxendale put their heads together and came up with some new ideas for the annual Sales Carnival.

All this could not have been accomplished without the invaluable aid of Miss Bruce, to whom we are so grateful for expert advice and assistance.

We have striven to make this 1957 Trojan the best ever, and we hope you will think our time was well spent.

The School Chronicle news, which is published every week in the Odebolt Chronicle, is collected throughout the week by the staff reporters. This year the staff was made up of volunteers from the junior and senior classes. The school news in the paper is edited by the group to inform the public as to what is being done in the twelve grades.

The editor of the School Chronicle was Norma Stiles, who was elected to this position the previous year. All of the staff members have worked with enthusiasm all year to make the school paper a success. Those who have read the School Chronicle this term of '56 and '57 have found that they did a fine job.

The staff strived to keep the public up-to-date on the school activities and at this time would like to thank the Odebolt Chronicle for their cooperation and for taking their time to make the school paper a success.

FUTURE FARMERS OF AMERICA

The Future Farmers of America is an integral part of the vocational agriculture course. It is an intra-circular activity having its origin and root in a different part of the school curriculum. It is based on the following motto: "Learning to do; doing to learn; learning to live and living to serve." No national student organization enjoys greater freedom of self-government under adult counsel and guidance than the F. F. A. The foundation upon which the F. F. A. organization is built includes leadership and character development, sportsmanship, improved agriculture, organized recreation, citizenship and patriotism. The aims and purposes of the Future Farmers are to develop competent rural and agricultural leadership, to strengthen the confidence of farm boys and young men in themselves and their work, and to create more interest in the intelligent choice of a farming occupation. A further aim and purpose is the development of individual farming programs and establishment in farming. These encourage members to improve the farm home and its

surroundings and to participate in worthy undertakings for the improvement of agriculture.

The officers for the year 1956-1957 are: President, Merle Lansink; Vice-President, Frank Neville; Secretary, Herbie Turin; Treasurer, Richard Thayer; Reporter, Jim Howard; and Sentinel, Darrell Herrig.

There are 28 members in this chapter—7 freshmen, 10 sophomores, 8 juniors, and 3 seniors, and it meets the first and third Monday of every month. This year some of the members took a trip to the National Convention at Kansas City and are planning to go to the State Convention. A Gilt Ring was started this year in order to raise money for the chapter. Larry Neville and Jim Howard receive the two purebred Duroc gilts. All in all, 1956-'57 has been a very good F. F. A. year.

FOOTBALL

On August 24, thirty Odebolt and Arthur boys turned out for the first scheduled practice session of the 1956 football season. Complying with custom, the first week of practice was mostly conditioning and fundamentals, and was hard work for everyone.

On September 14, the impossible was performed; Wall Lake beat Odebolt for the first time in thirteen years, 0 to 27. The next Friday however, the boys bounced back to defeat Kingsley 20 to 6.

In the two following weeks the Trojans lost their homecoming game to a tough Moville team, 2 to 19, and easily rolled over Correctionville 26 to 0.

On October 12 the Odebolt eleven suffered a heartbreaking defeat at the hands of Onawa, 7 to 12. In the minds of many this was the outstanding

game of the season in spite of the score. With a break or two the Trojans might have beaten Onawa, and it could easily have been the turning point of the season.

The next four games spelled four defeats for the Trojans, as they entered into the tougher portion of their schedule. They lost to Manilla, 6 to 39; Sac City, 0 to 39; Ida Grove, 0 to 26; and Holstein, 6 to 49.

Although a two wins-seven losses season is not considered successful, it must be remembered that Odebolt played nine very good teams, and that some very fine play was shown by the Trojans. Odebolt need not be ashamed of their 1956 football squad.

GIRLS' BASKETBALL

Won 16—Lost 7

The Trojanettes played one of the toughest schedules in history this season. Two teams on the schedule, Somers and Ida Grove, had all their team back from the previous year when they went to the state tournament. Also on the schedule were three other teams that had played in district tournaments the year before.

The girls got off to a slow start, but gained momentum as the season progressed.

This was the first time in the past six years the Trojanettes failed to win the Sac County Tournament. The Trojanettes defeated Lake View in the first round. In the semi-finals Early defeated Odebolt 47 to 44, when the Trojanettes hit only 19 per cent from the field. Early went on to win the tournament by defeating Schaller. Odebolt defeated Wall Lake 52 to 38 to win consolation honors.

The 1956-57 season also marked the first time the Odebolt girls team was invited to perform in a clinic. The Trojanettes gave a demonstration in the afternoon, at Holstein, on team offense. In the evening they played and defeated a very tough Hartley team 47 to 35.

In sectional tournament play the Trojanettes appeared to be a tough contender, and proved themselves to be in the finals. Odebolt drew a bye in the first round and played and defeated Lake City in the second round 45 to 34. This set the stage for the game of the year, meeting rival Ida Grove

in the finals. Ida Grove, with its state tournament team from the previous year, had a post forward averaging 39 points a game. Myrna Lange, Arlene Purdy, Audrey Cowlham, Margaret Johnson, and Sandra Higby combined their efforts to hold her to only five baskets from the field. Three of these came with only three minutes left in the ball game. This guard combination deserves credit for doing such a fine job all season. Ida Grove defeated Odebolt 58 to 49, but it was a game with only one or two points difference most of the way.

In the front court for the Trojanettes were Jean Hanson, Judy Ogden, Audrey Meeves and Bonnie Raasch. They combined their efforts for a 57.6 offensive average. In the guard court the defensive average was 50.1 points per game.

High scorer for the season was Jean Hanson with 602 points in 23 games for a 26.1 point per game average. Judy Ogden was next with 450 points in 23 games for a 19.5 point per game average. Judy was also the toughest rebounder on the squad.

Five seniors completed their competition this year. Their loss is going to be felt very much. They are Judy Ogden, Arlene Purdy, Jean Hanson, Audrey Cowlham and Myrna Lange.

Prospects for next year are not too bright with a number of young girls in line for positions. However, the Trojanettes for 1957-'58 could be pretty tough if they develop enough spirit and desire.

BOYS' BASKETBALL

The Trojans, during their 1956-57 season won 8 out of 23 games. A lack of uniform scoring was their greatest deficit, with Othel Johnson, Dean Johnson and Jim Howard carrying most of the burden throughout the season.

The most heralded victory was the defeat of Lytton in the Sac County Tournament after a previous game which Lytton won by 31 points.

The season scoring was as follows:

	Total Points	Average per game
Othel Johnson	432	18.8
Dean Johnson	259	11.3
Jim Howard	223	9.7
Bill Stock	89	3.9
Wellman Lindstrom	84	3.6

The graduates of this year will be greatly missed in the year to follow.

Good luck, Trojans. The team next year can be sure of the backing and support of those who have played on the Trojan court in the past.

TRACK SEASON — 1957

The Trojans had one of its best track seasons in recent years. They placed fourth in the Holstein Relays, seventh in the Sac Relays, fourth in the Maple Valley Conference, first in the Tornado Invitational at Storm Lake and third in the district meet at Holstein.

The athletes of '57 produced five new school records. Othel Johnson set a record in the discus with a throw of 133'4 1/4". He also set a record in the high jump at 5'8 1/4".

Ted Meents set a record in the shot put with a distance of 41'3". Dean Johnson set a record in the 880 yard run with a time of 2:06.3.

Dean also placed fifth in the state indoor 880 yard run.

The other record was set by the two-mile relay in a very fine time of 8:36.5. The runners were Bob Rex, Tom Meltesen, Richard Konrady, and Dean Johnson.

Seven boys qualified for the state outdoor track meet held at Drake stadium in Des Moines. They were Othel Johnson, Dean Johnson, Ted Meents, and the medley relay.

Ted Meents placed third in the discus and Othel Johnson fifth in the state meet.

Othel Johnson was the boy with the largest point production for the season. He scored an outstanding total of 84 3/4 points for the entire season.

Of the twenty-two boys that lettered, only five were seniors. All the weight men were seniors so the point production next season will probably come chiefly from the running events.

GERRIT DRESSELHUIS

Gerrit is struggling to make this height in the pole vault at the Maple Valley Conference meet. His best vault for the year was 9'7" at the District meet.

DEAN JOHNSON

Dean Johnson is breaking the tape as the two-mile relay sets a record in the Maple Valley conference of 8:41. Dean also set a school record in the 880 yard run in the District meet of 2:06.3.

TWO-MILE RELAY

The two-mile relay lost only one race this season and that was to Manning, the state champs. The Trojans set a new school record of 8:36.5. The relay was made up of the following boys reading from top to bottom: Dean Johnson, Bob Rex, Tom Meltesen and Richard Konrady.

OTHEL JOHNSON

Othel set a new school record in the discus with a distance of 133'4 1/4". He also set a record in the high jump of 5'8 1/4". Othel was high scorer of the season with 84 3/4 points.

DENNIS THEVENOT

Dennis Thevenot is running for second place in the 220 yd. dash at the Maple Valley conference meet at Holstein.

RICHARD THAYER

Richard Thayer is running the low hurdles in the Maple Valley meet. His best time for the year was 23:0.

SHOT PUT

Ted Meents set a new school record in the shot put with a throw of 41'3". Ted also placed third in discus at the state meet.

MELTESEN TO KONRADY

Tom Meltesen passes the baton to Richard Konrady in the two-mile relay at the Maple Valley conference meet. The two-mile relay had the second best time in the state for Class B with a time of 8:36.5.

MIXED CHORUS

The MIXED CHORUS began the year with 119 members. The highlight of 1956 was the Christmas cantata, "Sing, O Ye Heavens." Just before the second semester, eliminations for the contest chorus were held, cutting the number of members from 119 to 60. Those whose names are starred have been selected to appear in the contest group.

NOBODY SLEEPS

Spike, a burglar, is interrupted while searching for the Busby house money in a desk drawer, by the three Busby daughters Daisy, Ada, and Glory who came downstairs for a midnight snack. Mrs. Busby, who is writing a mystery story and wants to get acquainted with a good burglar, comes downstairs to find that "Nobody Sleeps." Through a process of questioning, it is discovered that Spike is a failure as a burglar and really hasn't been able to pull a good job in years.

The story opens with a fairly staid banker who needs some sort of creative release and finds it in lecturing to local high school classes on the need for self-fulfillment. It quickly develops, however, that the banker's youngest daughter, Ginger, has been very much impressed by her father's exhortations. She has further decided that her own true fulfillment can best be realized by going out for the football team. Any number of complications result: the father's job is jeopardized because the bank president doesn't approve; the girl's elder sisters insist that their social life has been blighted—especially Joan, whose boy friend is captain of the football team; and the girl football player finds that playing football and being a girl aren't always compatible, particularly when her own boy friend disapproves of what she's doing. After any number of riotous mishaps, all ends on a happily tender note with the family going out to see Jeannie in the high school play.

"Synopsis—"Father of the Bride"

Mr. Banks learns that one of the young men he has seen occasionally around the house is about to become his son-in-law. Daughter Kay announces the engagement out of a clear sky. Mrs. Banks and the two boys are happy, but Banks is in a dither. The groom-to-be, Buckley Dunstan, appears on the scene and Banks realizes that the engagement is serious. The wedding is planned as a very "simple" affair, but as time progresses, more and more complications develop. The list of guests grows until there are nearly two hundred more than the church will hold for the wedding and the home will hold for the reception. Mr. Banks finds himself digging into his pocket for new clothes, flowers, caterers, champagne, eight bridesmaids' dresses, hairdressers, salesmen, photographers, and food. The climax of the story comes when Buckley himself objects to the way things are getting out of hand. He storms from the house after Kay angrily tells him there will be no wedding. The play ends happily, however, after a reconciliation is made and the radiant bride leaves for the church on the arm of her father.

Struttin' pretty.

Cute, ain't they.

Senior Class History

On the warm sunny day of September 4, 1944, 24 proud little boys and girls marched up the steps of the old building to Miss Kelch's kindergarten room. As she called roll Dennis Bengford, Diane Bengford, Marjorie Betts, Jarrett Boerner, Franklin Cranston, Robert Deal, Richard Duffy, Thomas Erickson, Janice Gustafson, Jean Hanson, Ruth Hedberg, James Howard, Joyce Mandernach, Thomas Meltesen, Ronald Murr, Kyle McGonigle, Larry Neville, Nancy Neville, Jackie Nitzke, Judy Ogden, Ronald Oxendale, Arlene Purdy, Bonnie Snyder, and Constance Stone were present. Our first big treat was the daily lunch which consisted of milk and graham crackers. One of our greater accomplishments was our "Rhythm Band" which supplied plenty of noise and music? We spent a large part of our time either in the little red church or the house. The rest of the time was spent eating, tearing things apart or taking our naps on our rugs. As the year drew to an end, things were more subdued. We agreed upon the fact that the year wasn't a complete waste of time and effort.

In our move across the hall we lost Dennis Bengford, Diane Bengford, Jarrett Boerner, Dick Duffy, Janice Gustafson, Ruth Hedberg, Jack Nitzke, Bonnie Snyder, and Connie Stone, but gained Clifton Albrecht, Richard Barr, Gloria Girvan, Rochelle Hixon, Richard Konrady, Bill Peters, and Mildred Trulock. Our new teacher was Mrs. Helkenn who thrilled us by allowing us to enact "Hansel and Gretel" for our proud parents. This production completed the year and we were ready to move on.

In our trip down the corridor we lost Marjorie Betts, Richard Barr, Frank Cranston, Kyle McGonigle, Ronnie Murr, Larry Neville and Arlene Purdy. To make up for our losses we gained Dennis Huff, Willard Johnson, Clifford Mallison, Jim Monroe, Mavis Monroe, Kathleen Neilsen, Eugene Osborn, and Virgil Osborn. Miss Johnson was our new teacher. Our little store was the pride and joy of the class. It helped us to make change and learn the values of money.

We were then ready to move back across the hall. In our move we lost the Osborn boys, Eugene and Virgil, but gained Lola Albrecht, Nolan Schnuckel, and Muriel Schrooten. Our teacher this year was Miss Van Wyck. A memorable event was our trip to the Home Economics room where we made cottage cheese and drank butter-milk. During the year we were shocked to hear of the death of Bob Deal, one of our classmates. But time did not stand still. We were soon ready to move on to fourth grade.

We lost Willard Johnson, Clifford Mallison, and Muriel Schrooten, but gained Lois Gustafson, Othel Johnson, Don Taylor, Dick Waterbury, and Miss Charlson, our new teacher. The year passed quickly and we were soon ready to move upstairs to the fifth grade room.

When we reached the second floor, we found we had lost Clifton Albrecht, Jimmy Monroe and Kathleen Neilsen. We made up for our losses by getting Gary Brothers, Keith Ericson, Jeanette Ladehoff, and Kyle McGonigle. We all liked Miss Brodersen because we spent so much time on art. But all the time we were moving up, getting closer to the top with each step.

Our next move was to Miss Benning's sixth grade room. In this move we lost Gary Brothers, Jeanette Ladehoff, and Dick Waterbury. But new faces were those of Audrey Cowlham, Sandra Haradon, DeWayne Hedberg, Larry Koster, Grant Langle, Juanita Peed, and Richard Young. The year moved quickly and the first thing we knew Miss Benning had changed her name to Mrs. Kies.

Our next move was the biggest we had ever made. We were now in the big assembly and could be called part of the Jr. High. Things were much different: three grades in one big room, only four subjects, having eight periods a day, and four different teachers. New members who took the step with us were Bill Allen, Helen Kessler, Curtis Lappegard, and Norma Stiles. We lost Audrey Cowlham, DeWayne Hedberg, Rochelle Hixon, Dennis Huff, Juanita Peed, and Richard Young. Seventh grade was hard to get used to but we finally made the adjustment.

When we reached 8th grade we found we had lost Bill Allen and Sandra Haradon, but we gained Roger Fineran. Eighth grade was much the same as seventh grade. When we got ready to move again, we stepped to think of some of our teachers during the past two years. They were Mr. Potter, Miss Anderson, Mr. Hamann, Mrs. Peterson, Miss Hunter, and Mr. Buum. We were now ready to continue.

Freshman!! We were still in the old building but we felt more important with that name of Freshman. Two of our Kindergarten pals from St. Martin's school were with us once again. They were Dick Duffy and Bonnie Snyder. Other new faces from other schools were Adrienne Bergman, Dennis Coburn, Jeanette Ladehoff, Merle Lansink, Barbara Linden, Don Lindgren, Ted Meents, Larry Neville, Clifford Schroeder, Marilyn Sommers, Irene Taphorn, Frank Vaughn, and Dwayne Wingert. When we looked again we found we had lost Keith Ericson, Richard Konrady, and Curtis Lappegard. This year we went to the new building for some of our classes. We were really

getting to be somebody, we thought.

The next year we were elevated to Senior High. We were Sophomores now, a little green on the high school methods, but we were in high school anyway. In our move to the new building we lost Lola Albrecht, Larry Koster, Don Lindgren, Bill Peters, and Muriel Schrooten. To make up for our many losses we added Willard Johnson, Myrna Lange, and Larry Waldemar, to our number. Things were a little different over in the new building. We had lockers for our books and coats. The rooms were new to us. We were divided into home rooms with the Juniors and Seniors. We could participate in more things, such as the high school sports and dramatics. Every day seemed to bring something new to us, but we soon became part of the hustle and bustle.

Soon we were Juniors. Just one more step and we would be on the top. Going from our Sophomore to our Junior year we lost Adrienne Bergman, Jeanette Ladehoff, Mavis Monroe, and Mildred Trulock. Our new classmates were Evelyn Hedstrom, Sharon Kinney, Sherwin Larson, Arlene Purdy, Donna Sewell, Terry Skarin, and Donna Terry. During the year we lost Donna Terry and Terry Skarin. Things got underway and we were soon working on the Junior Class play entitled "The Little Dog Laughed." The next big event of the year was the Junior-Senior Banquet with the theme of "Moonlight and Roses." It turned out to be a big success. The year ended and we were now on the top step. We were finally Seniors.

At the beginning of our Senior year we numbered thirty-seven in all. They were Dennis Coburn, Audrey Cowlham, Dick Duffy, Roger Fineran, Gloria Girvan, Lois Gustafson, Jean Hanson, Jim Howard, Othel Johnson, Willard Johnson, Helen Kessler, Sharon Kinney, Myrna Lange, Grant Langle, Merle Lansink, Sherwin Larson, Barbara Linden, Joyce Mandernach, Mavis Monroe, Kyle McGonigle, Ted Meents, Tom Meltesen, Larry Neville, Nancy Neville, Judy Ogden, Ronald Oxendale, Arlene Purdy, Nolan Schnuckel, Clifford Schroeder, Donna Sewell, Bonnie Snyder, Marilyn Sommers, Norma Stiles, Irene Taphorn, Don Taylor, Larry Waldemar, and Dwayne Wingert. We lost Tom Erickson, Evelyn Hedstrom, and Frank Vaughn. Our only gain was Mavis Monroe, whom we lost at the second semester. Seven members have gone through their entire school course together. They are Jean Hanson, Jim Howard, Joyce Mandernach, Tom Meltesen, Nancy Neville, Judy Ogden, and Ronald Oxendale. We've all had our ups and downs but everything always works out in the end. In closing, we would just like to say to all underclassmen, "Take your time. It goes faster than you think."

ACKNOWLEDGMENT

Our yearbook production is just a little like that on an assembly line. At the beginning are Mr. Burt Hedstrom of the American Yearbook Company, and Miss Rosmer Bruce, yearbook adviser, giving us expert advice.

As our book begins to take shape, we find Mr. Kermit Buntrock of Storm Lake taking our individual and group pictures, and our layout editors fitting each of the pictures into the proper place.

As we near completion of our task, the Odebolt Chronicle is doing the printing of all copy. Then back to the layout again, for the final work of pasting pictures and printed copy on mounting boards for each page. The completed pages are then sent to the American Yearbook Company at Hannibal, Missouri, where they are lithographed and bound into the completed book.

All this activity is made possible through the combined efforts of these indispensable people, and the financial contributions of Odebolt and Arthur businessmen. We thank them all.
